

ASIAN STUDIES AT WORK

WHAT CAN YOU DO WITH AN ASIAN-FOCUSED MAJOR?

QUITE A LOT! Learn from alumni who majored in Asian Studies, Chinese, or Japanese about how they found rewarding careers in many different fields like business, communications, public relations, healthcare, government, technology, and much more.

Ask them questions about their career journey, chat about your goals, and get priceless advice from fellow Badgers who are in your field of interest. No matter what path you take, we'll help you understand how to take your next steps to success.

They figured it out and you can too!
