

# ENVIRONMENT AT WORK

## WHAT CAN YOU DO WITH AN ENVIRONMENT-FOCUSED MAJOR?

**QUITE A LOT!** Learn from alumni who studied a variety of Environment-focused majors about how they found rewarding careers in many different fields like business, communications, public relations, healthcare, government, technology, and much more.

Ask them questions about their career journey, chat about your goals, and get priceless advice from fellow Badgers who are in your field of interest. No matter what path you take, we'll help you understand how to take your next steps to success.
