What you can do with your ENGLISH MAJOR

English Major Skills:

Writing for Various Purposes & Audiences

You learn to write skillfully with attention to different audiences, contexts, purposes, and conventions.

Creative Thinking

You learn to generate original ideas, synthesize information, experiment, take risks, solve problems, and use a wide variety of media.

Critical Reading & Thinking

You understand divergent perspectives, identifying and questioning assumptions, and recognizing the implications of texts.

Emotional Intelligence

You learn to examine issues from multiple perspectives with a sensitivity to complex issues affecting diverse populations.

Research

You're adept at filtering information to establish legitimate sources, using evidence and translating complex information clearly and concisely.

Public Speaking & Oral Communications

You learn to present and respond to ideas with attention to different audiences, contexts, perspectives and purposes.

Cultural Competency

You build knowledge of art and literature, plus social and political discourses that influence popular culture, institutions, and human motivation.

Attention to Detail

You have a keen sensitivity to nuance, style, and consistency in communication. You revise according to organizational and audience needs.

"Using the persuasive language skills I honed as an English major, I have been able to advance projects, secure more funding for initiatives and better communicate with leadership teams."

Coral Graszer, 2011
Public Relations & Communications Manager
Fiskars Group - Madison, WI

"An English major is about combining your ability to write with your ability to think. That skill is insanely important in the real world. Sprinkle in a little public speaking experience and you will be an unstoppable force!"

Alex Frecon, 2009 Writer + Director Minneapolis-St. Paul, MN
